The Honorable Marcy Kaptur  
Ranking Member  
Subcommittee on Energy and Water  
Development  
House Committee on Appropriations

Dear Chair Fleischmann and Ranking Member Kaptur:

I am requesting funding for a study of flooding, including construction of interior drainage, in fiscal year 2024. The entity to receive funding for this project is the U.S. Army Corps of Engineers. The funding would be used for a study on flooding in the Federal Triangle area of the District of Columbia.

The project is an appropriate use of taxpayer funds because the flooding affects property and transportation.

The project has a federal nexus because the funding provided is for purposes authorized by section 8201(a)(12) of the Water Resources Development Act of 2022 (Pub. Law 117-263, Division H, Section 8201(a)(12)).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family

Thank you for your consideration.

Sincerely,

  
Eleanor Holmes Norton
