The Honorable Tom Cole
Chairman
House Committee on Appropriations

The Honorable Rosa DeLauro
Ranking Member
House Committee on Appropriations

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for multimodal electric transportation charging infrastructure in fiscal year 2027. The entity that would receive funding for this project is the District of Columbia government, located at 1350 Pennsylvania Avenue NW, Washington, DC 20004. The funding would be used to install electrified charging infrastructure in multifamily buildings. This project is an appropriate use of taxpayer funds because it would increase access to charging for multimodal electric transportation.

This project has a federal nexus because the funding would be provided for purposes authorized by 42 U.S.C. § 5305.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Thank you for your consideration.

Sincerely,

A handwritten signature in blue ink that reads "Eleanor H. Norton".
