The Honorable Tom Cole
Chairman
House Committee on Appropriations

The Honorable Rosa DeLauro
Ranking Member
House Committee on Appropriations

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for flood mitigation in fiscal year 2027. The entity that would receive funding for this project is the District of Columbia government, located at 1350 Pennsylvania Avenue NW, Washington, DC 20004. The funding would be used to restore the Oxon Run stream to reduce flooding. This project is an appropriate use of taxpayer funds because it would protect homes from floods.

This project has a federal nexus because the funding would be provided for purposes authorized by Section 203 of the Stafford Act (42 U.S.C. § 5133), as amended by Section 1234, National Public Infrastructure Pre-Disaster Hazard Mitigation, of the Disaster Recovery Reform Act of 2018.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Thank you for your consideration

Sincerely,

Eleanor Holmes Norton
