The Honorable Tom Cole
Chairman
House Committee on Appropriations

The Honorable Rosa DeLauro
Ranking Member
House Committee on Appropriations

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for electric bicycle battery replacement in fiscal year 2026. The entity to receive funding for this project is the District of Columbia government, located at 1350 Pennsylvania Ave. NW, Washington, DC 20004. The funding would be used to install electrified charging stations for Capital Bikeshare. This project is an appropriate use of taxpayer funds because it will reduce the costs of battery replacement and increase the availability of electric bicycles.

This project has a federal nexus because the funding provided is for purposes authorized 42 U.S.C.5305.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Thank you for your consideration.

Sincerely,

Eleanor Holmes Norton
